

"Books train your mind to imagination to think big." – Taylor Swift

Dear Parents and Carers,

This week was a delight to welcome Tom from Rocksteady into School to introduce Rocksteady Bands. The children absolutely loved the assembly and workshops with Tom playing the drums, guitar, keyboard and singing! Lessons start next week and I can't wait to hear their band names!

This week, children have started their new topic learning. Teachers will have sent home their overviews, homework menus and knowledge organisers which show you the key vocabulary that children are learning in their lessons. It would be brilliant if you can talk with the children about these to support them in remembering their new learning.

This week, we have held our School Council elections from Y2 through to Y6. Children voted in secret ballots and the representatives will be announced in our Friday Celebration Assembly this afternoon. We'll keep you updated.

Best wishes. Mrs Pipe, Headteacher

Head Lice are back!

We have had a few case of headlice in school over the last 2 weeks. Please check your child(ren)s hair regularly. If you see headlice, please let the school know so we can encourage everyone to check and treat. The NHS have a website offering good advice on recognising and treating www.nhs.uk/conditions/head-lice-and-nits and remember—Head lice and nits are very common in young children and their families. They do not have anything to do with dirty hair and are picked up by head-to-head contact.

PTFA Meeting and Coffee Morning

Everyone welcome!

Friday 25th September at 9am in the hall

Tea and coffee will be available too! The PTFA is open to everyone and is essential to the school in providing events and exciting equipment for the children that our budget cannot stretch to. The current group has shrunk quite a bit as pupils leave so they really need more help to plan events such as discos and the Christmas fayre. If you can't come on the 25th but can help on the event days, please let the office know. Please come along if you can and hopefully the children can continue to enjoy these events. Thank you!

Star Learner

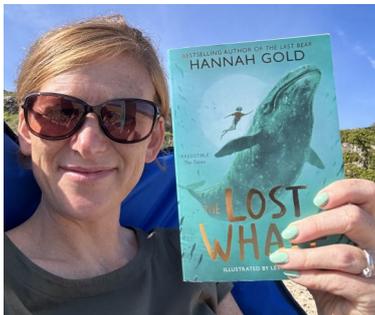

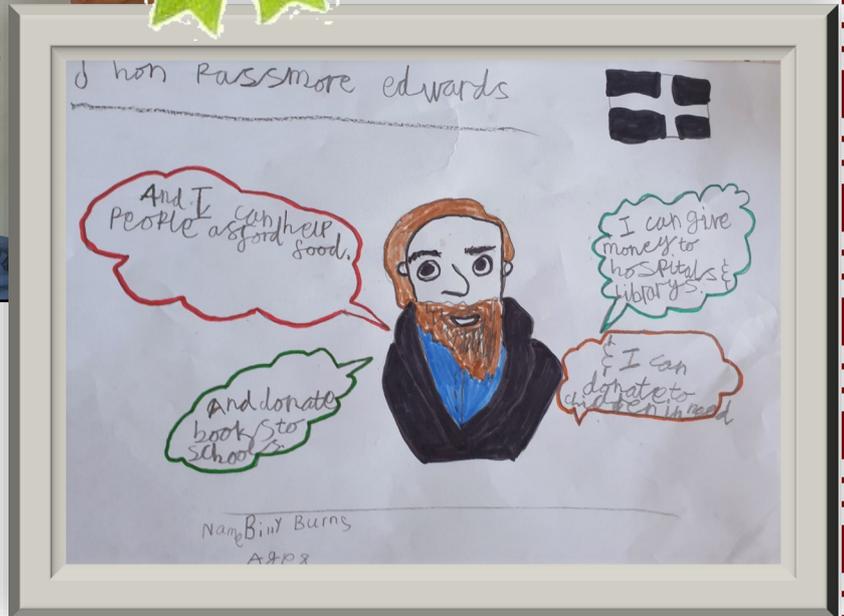

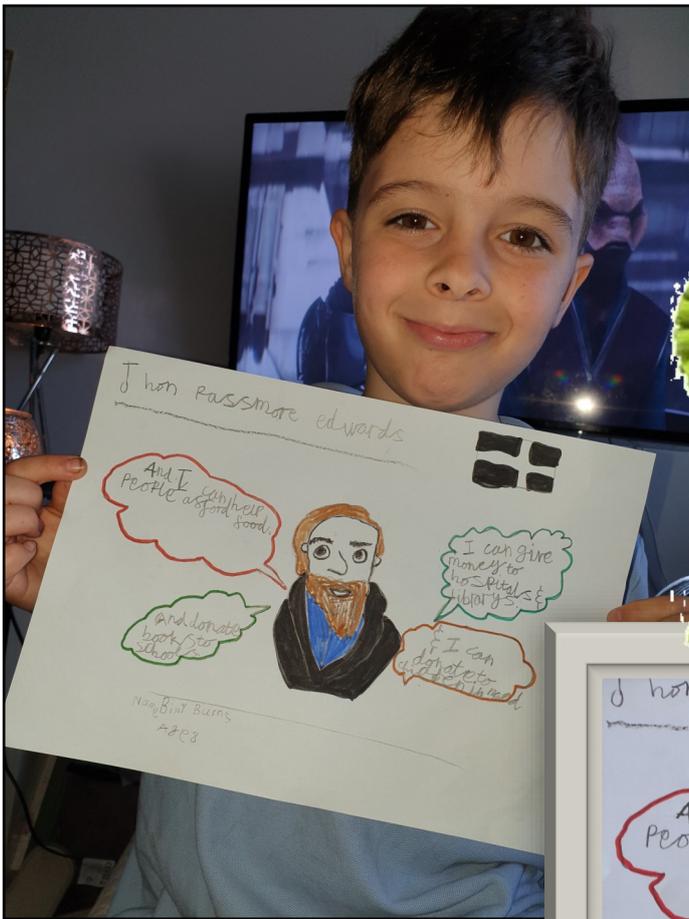

The star learners this week come from Camel Class. In Camel class this week they have begun exploring their topic of Armistice and the First World War. They have had discussions about the main causes of WW1 and looked at how a soldier in the armed forces would have been equipped for battle. In their Art session, they drew a stick figure outline of a soldier before adding more detail to each piece; they had to think about the equipment the soldier would need and how it would be stored. Tamara, Finn and Roxanne produced their own individual takes on the techniques shown. Well done!

The Lost Whale recommended by Mrs Orchard

Having read *The Last Bear* by Hannah Gold over the summer holidays Mrs Orchard was keen to read another by the same author. *The Lost Whale* is an enchanting tale of Rio - a boy who is sent to America to live with his Grandmother as his mother is admitted to hospital. Finding life challenging, everything changes for Rio when he joins a whale-watching trip and meets White Beak, a gentle giant of the sea. They form an instant bond but then tragedy strikes. What will become of Rio, his family and this beautiful sea creature? You'll need to read it to find out! Hannah Gold's next book is released at the end of this month.
