

**"I am a part of everything that I have read." – Theodore Roosevelt**

Dear Parents and Carers,

This week has been national British science week. With the theme of 'time' children have been enthralled in a range of time based science investigations. Don't forget the competition, all entries to Mrs Geeves by Monday 25th March. On Tuesday, Year 6 had a fantastic morning with the Royal Navy. They took part in two challenges which allowed them to develop teamwork, problem solving and communication skills. They also found out a lot about the different roles and responsibilities in the Navy which got them thinking about their aspirations as they get older. A super morning!

Over the last two weeks, Year 3 and Year 5 have had intensive swimming lessons at The Dragon Centre in Bodmin. Myself and all staff who have taken them have been so proud of the behaviour demonstrated and this has been noted by the swimming instructors.

This week, our School Council met the supervisor from Chartwells to give feedback regarding the school dinners. They were absolute stars and a true credit giving both positives and areas for improvement. The children are planning their own themed menu and will be working with all children to make a decision - rights respecting article 12 in action with power to the pupils! I look forward to letting you know more as this project moves forward!

And Johnny Cowling—it was an excellent evening. So lovely to see the hall bursting with people and absolutely full of smiles, laughter, giggles and song - just like my assembly on a Friday every week of course! A MASSIVE thank you to all the PTFA and staff helpers who came along and worked so hard to make the evening a success. See page 3. We look forward to sharing the total raised in due course. Have a lovely weekend & best wishes. Mrs Pipe, Headteacher

## Science Week

This year's theme for Science week is 'Time'. We are really excited to be holding a poster competition in school. The adults will then select the best 5 to be sent off to be entered into the Science Week competition.

The posters can be anything to do with time and changes over time. They must be on A3 or A4 paper. They need to be returned to Mrs Geeves by Monday 25th March.

## Toasty Tuesday

The very popular Toasty Tuesday is back! On Tuesday 19th March we will be selling toast at break time for 40p. All money will be donated to the Cornish Seal Sanctuary, the children's chosen charity for this year.

## Parking

We would like to remind parents to park safely and considerately; if possible using the football car park. We have been made aware of parking around the neighbouring streets causing frustration and 'heated' discussions. It is very frustrating when so many people are trying to park in limited spaces in a short space of time. Please be aware that if you are venting your fury, that children are around and can hear your discussion. Please park safely, and considerately and hopefully this will alleviate such frustrations.

## PE Kits

Please see our [website for uniform reminders](#).

## PE Days

Children will need to come to school dressed in their PE kit on PE days. Long hair should be tied back. Please wear their usual school jumper/ cardigan.

## A reminder of the school PE Kit...

Black shorts/leggings/skorts with plain coloured t-shirt (team colours) or white t-shirt and plimsolls/trainers. (No team football kits, running gear or other attire should be worn for P.E. or after school clubs unless specified by the teacher in charge of that club.) During the winter, plain black leggings or jogging bottoms may be worn for outdoor games.
